

A POPULAR LECTURE

Organized by

Indian Meteorological Society-Ahmedabad Chapter (IMSA)
Indian Society Remote Sensing-Ahmedabad Chapter (ISRS-AC)
Indian Society of Geomatics-Ahmedabad Chapter (ISG-AC)

Time to rethink about *Time*

Speaker: Dr. Pradip Kumar Pal
Former Deputy Director
Space Applications Centre, ISRO

Dr. P.K. Pal is an accomplished scientist, holding a Ph.D. in Applied Mathematics from Peoples Friendship University, Moscow (1984). He joined the Space Applications Centre (SAC) in 1985 and retired as an Outstanding Scientist and Deputy Director in 2015. His major contribution lies in the retrieval of satellite data and its assimilation in numerical weather models. He has significant expertise in Meteorology, Atmospheric Physics, Precipitation, Numerical Mathematics, Applied Mathematics, Numerical Modeling, Remote Sensing, Climate Change, and Oceanography. He also served as an Emeritus Professor at the Centre for Space Science and Technology Education for Asia and Pacific (CSSTEAP), affiliated with the UN, from April 2017 to April 2018. He penned as many as 160 scientific papers in many national and international, peer reviewed journals and was also awarded with several recognitions for his contributions in this field
